South Walker Cemetery

Union Twp.
Des Moines Co., Iowa
40.7305958 -91.2095922

This map is based on an earlier map drawn by Kathryn Scherer in the 1970's. Her map was drawn by walking the cemetery and recording the approximate location of grave markers she found on a grid. Her map was updated when new burials occurred.

Corrections have been made based on an earlier gravestone survey by the Des Moines County Genealogical Society and information on grave markers. Some markers recorded on this map are no longer readable. Some are now missing. It's nearly certain that there are earlier burials in this cemetery for which no markers were found or recorded in the surveys done in the 1970's.

Shaded corners around a name indicate a veteran.
