

# Waterloo Will Honor Civil, Spanish and World's War Heroes Thursday, May 30

## HONOR SERVICES FOR BRAVE DEAD MEMORIAL DAY

Heroes of American Wars Will Have Ceremonies of Commemoration.

### HOLD ALL DAY MEMORIALS

Memorial exercises this year in honor of our hero dead will take on added significance because of the great struggle in which Black Hawk county boys are now engaged and in which some are known to have recently given their lives in sacrifice for the great cause of liberty.

Those boys who have lost their lives in the present war will be remembered in the services in the cemeteries on the morning of Memorial day during the ceremony of decorating unknown graves. They will again be honored during the afternoon Memorial services at the Coliseum when an address for Black Hawk county soldiers who have lost their lives in this war will be given.

Memorials for the new heroes will not detract from the honor accorded to the G. A. R. and the men of the Spanish-American war, but each military generation will join in doing homage to the other.

Members of the ladies patriotic organizations will meet at the Memorial hall and at Grace Methodist church Wednesday to prepare the wreaths for graves of the soldier dead and early on the morning of the 30th they will again assemble and take the huge quantities of blossoms to place them on the mounds in the cemeteries of Waterloo.

Program not complete. Rev. A. C. Preston will give the address and Rev. W. A. Peterson is to have charge of prayer and benediction. The W. R. C. is in charge of arrangements.

Prayer by Rev. M. L. Tate. Song by quartet. Address by Rev. M. L. Tate. Buglers. Decorating unknown graves. Gettysburg address by Comrade C. D. Becker.

"Star Spangled Banner." Arrangements will be in charge of the ladies of the G. A. R., Waterloo Cemetery.

Prayer by Rev. Chas. Bair. Vocal solo by Miss Mildred Gleason. Gettysburg address by Harold Wright.

Address by Rev. Chas. Bair. Program arranged by the Sons of Veterans auxiliary.

Services here have been arranged by the Helen Gould auxiliary of the Spanish-American war veterans and will be given under the auspices of the Catholic church. Impressive high mass will be said and flowers will be placed on the graves. Those taking part in the program are: Father E. J. Slatery, who will sing mass; Father Henry, deacon; Father Matthew, sub-deacon; Father D. P. Cregan, master of ceremonies; Father D. J. Lenihan, who is to preach the sermon.

For Those Lost at Sea. Following the services at the cemeteries the W. R. C., in accordance with the custom of former years, will gather at Memorial hall along the river walk to Fifth street bridge. With fitting ceremonies they will do honor to those who lost their lives in sea engagements or who served their nation on the water. Wreaths and loose flowers will be scattered on the waters of the Cedar so that they will float under the bridge and down the river. Memorials at the Coliseum. In the afternoon in order that

the huge crowd expected may be accommodated, the G. A. R. and Service League will join forces in a memorial program which will be given in the following order.

"Star Spangled Banner" Waterloo Overland band and drum corps.

Introduction of the Hon. C. W. Mullan as chairman of the day by Col. C. G. Crabtree, commander of Robert Anderson Post, G. A. R.

### MEMORIAL DAY SPEAKER

ALLEN D. ALBERT

The principal speaker for the afternoon program to be given Memorial day at the joint services of the G. A. R. and the Service Leagues of Black Hawk county in the Coliseum at Chautauqua park is Allen D. Albert of Minneapolis. Mr. Albert is the ex-president of the International Association of Rotary clubs. He has a national reputation as a forceful and well informed speaker.

For the past month the Memorial day speaker has been in Canada, making a tour of the country and investigating conditions on behalf of the United States. He has also spent several months in inspection of army cantonments.

### WILL ERECT MEMORIAL FOR MARION CRANDALL

Rev. M. L. Tate of Christ Episcopal church and Rev. Horton of St. Mark's Episcopal church stand ready to receive and forward contributions for a "Marion Crandall Memorial" to be erected on the grounds of St. Katherine's school at Davenport. The money is to be forwarded to Bishop Morrison and will be used to erect a fitting memorial for the first American woman to give her life in active service at the front.

On March 27 Marion Crandall was killed while in active service with the Y. M. C. A. at a "Soldiers' Fireside" in France during a German bombardment at St. Menhouid. She had been released from her position on the faculty of St. Katherine's school early in January and her place was being held for her until the close of the war.

It is planned to build a teacher's house on the grounds of St. Katherine's using the new home as an appropriate memorial to Miss Crandall, the first American woman to be killed in active service at the front. She was a Iowa woman by birth and it is that fitting that a memorial be placed for her at the school where she had been acting as instructor before going to the French front. The teacher's house is to be called the "Marion Crandall Memorial."

Mr. and Mrs. John G. Baer of Clinton, Ia., are visiting at the home of Mr. and Mrs. P. L. Bryant of Vermont street.

## THREE PERSHING VETERANS HERE FOR MEMORIAL

First Iowa Boys From General Pershing's "Fifty" to Aid In Demonstration.

### BIG PARADE OF THE COUNTY

Three Iowa veterans of General Pershing's famous "Fifty" among the first Americans to be exposed to enemy gun fire and the first Iowa boys to return to this country and describe their experiences while under bombardment are to be in Waterloo for Memorial day and will take part in the monster patriotic parade to be given shortly after noon.
