Notes for Vera Gertrude Chapman:

Grandma Gert was a tremendous woman. She grew up in a Sod Hut in South Dakota and went to school to become a teacher. She never practiced teaching that I knew of. She did however, chose to become a "Practical Nurse". Much of her life she worked in the healthcare field. In later life she worked for Red Owl in Tracy, Minn. All of my childhood was spent going to her house and taking vacations with her. Mike and I were the oldest and spent every summer traveling with her and Grandpa. She was the epitome of kindness and caring. image
