## President's Notes

Seems we were a type of group that always has an iron in the fire. The 150th Davis County Fair has come and gone. We were blessed with judging by Jay DeYoung, again this year. If you ever get the chance to set in on the judging, you won't be wasting your time. Always new ideas come from the entries, and tidbits & pointers are important when trying to preserve our heritage, whether as simple as an heirloom article or something that is in-material.

The Rural School reunion is coming to Drakesville, August 3rd, this happens annually.

The Bloomfield Public Library is celebrating their 100th, August 3rd.

And the summer surely hosted a few family reunions. We would love to hear about them. When is the next one?

We intend to help the Old School Social Center with an Open House, look for details forthcoming on the web site or facebook.

This newsletter contains more about Floris, stop by our library and see the rest of the collections.

Recent donations include school operetta photos, pleasant view school records, and the only known holding of The Bloomfield Mercury Newspaper from 1879.
