Des Moines Co., Iowa

Section labels with numbers are from the maps maintained by the Prairie Grove Cemetery Board.

Section labels with letters correspond to a 1978 gravestone survey by the Des Moines County Genealogical Society. The DMCGRS did not have access to the cemetery maps that showed the section and lot layout.

The DMCGRS divided Section 1 into Sections A and B for their survey. They divided Section 3 into Sections D, E, and F. Section 4 did not exist at the time of the DMCGRS survey.

The DMCGRS gravestone survey began in the Southwest corner of each section. Each row was walked south to north.
