

Shinar Cumberland 2013 DMCGS Gravestone Survey & Burial List

This cemetery survey was completed 6 Dec 2013. The original DMCGS survey of this cemetery was done in 1979. More than 225 names have been added to that survey. In addition to rewalking the cemetery, Shinar Cumberland Cemetery records were obtained, each lot reviewed, and unmarked graves have been added to this list. A Shinar Cumberland Cemetery list of Civil War through WWII veterans was used to add veteran information. Veteran information found on grave markers was also added to the notes section.

Des Moines County Genealogical Society members Dorothy Swanson, Paul French, and Wendell Biggs conducted this 2013 survey. A special thanks to Shinar Cumberland Cemetery for their cooperation. WMB 6 Dec 2013

The "NoRec" column indicates grave markers with no corresponding entry in cemetery burial records.

The "2013" column indicates burials that weren't included in the 1979 survey.
