

Providence of the crazy of the looks

Mark does not she was it grand
did not I tell her how does not she was
it as I say I think so if you don't

This annihilation is over &
I fear Ben M. Samuels is elected "Dem"

Mark I tried to be a Democrat but
I could not I am too antislavery I had
been Free Soiler too long But if the
know nothings & Democrats had been the
only parties I should if anything be a
Democrat according to the old rule "choose
the least of two evils"

Do you remember the debate you
Jasper & myself had at my house an even
in Plymouth, my principles are the
same now I hope you have seen the folly
of the principles of the D party especially
the last one & have turned Rep.

Give the compliments of an old
friend to your lady & be assured of my
sincere regard for yourself

Yours Ever
W. H. Moore

Remember me to Jasper & Annie
