### Lyon County Politics.

We see by an announcement in the Rock Rapids papers, which we reprint elsewhere in our columns, that G. W. Roth, the oldest son of Joseph Roth, Esq., is a candidate for Superintendent of Schools in Lyon county. Will used to attend school in Sheldon where he became known as a close student and a young man of good habits and good abilities. Since then he has been away to college, where he graduated with high honors. In our next issue we will make further reference to his candidacy and reproduce the complimentary mentions made of him by his home papers.-- Mail.
