

## Accident victim at fairgrounds was Marshalltown man

**AVOCA** -- The victim in an accident at the East Pottawattamie County Fairgrounds here last Sunday has been identified.

Dennis Craighton, 46, Marshalltown, died as a result of injuries suffered when the pickup he was working on rolled on top of him at the fairgrounds.

Officials said Craighton was a part of a group of men who were working as electrical contractors in the Avoca area. He was apparently working on a company truck on an angled concrete pad when the brakes failed, and the truck rolled on top of him.
