PANAMA -- A 40-year-old Panama man was killed Sunday, Nov. 2 in a skid loader accident at his rural Panama farm.

Shelby County Sheriff reports said Mark P. Keane had apparently become pinched between the left arm and the frame of the skid loader while working alone at his farm Sunday.

His wife, Kelly, returned home and found Mark caught in the machine. Panama First Responders and Earling Rescue were called to the scene. Keane was transported to Myrtue Memorial Hospital in Harlan where he was pronounced dead.
