

## Important To The Public.

The Goebel Clothing House was established in 1881 and has had a steady increase in business every year, so that today it is the most prominent clothing establishment in this part of the state.

We sell our goods on their **merits**, giving each and every customer full value for every dollar paid us. **We guarantee our goods.**

If anything goes wrong we will make it right. Should an "A. E. Goebel" Suit or Overcoat fail to give reasonable wear or should there be any defect in the cloth, or the tailoring, the garment may be returned and the money will be cheerfully refunded.
