## Raegan Moore, 1

*June 22, 2002 - Feb. 1, 2004*

COLUMBUS, NE – Raegan Renae Moore, the daughter of Joshua and Amber North Moore, was born June 22, 2002, in York, NE. She was born with a genetic brain disorder called Krabbe disease that was unfortunately undiagnosed until eighth months. By then it was too late for treatment options. At 13 months the disease seemed to be at a plateau and holding steady. Special Wish granted Raegan's wish by giving her a hot tub. At about 15 months, she took a turn for the worse and it became harder for her to breathe. After a short hospital stay, Raegan returned home with her parents and began to stabilize. Feb. 1, 2004, Raegan died.

She is survived by her parents, Joshua and Amber Moore of Columbus, NE; her maternal grandparents, Roy and Karlette North of Kirkman; her paternal grandparents, Steven and Melissa Moore of Haleyville, AL, and Tommy and Tammy Woodard of Brilliant, AL; aunts, uncles and cousins.

Funeral services were held Feb. 4, 2004, at Pauley Jones Funeral Home with Roy North officiating. Burial was in Redline Cemetery in Harlan, with Justin Milliken and Ken North honorary casket bearers. Casket bearers were Jeremy North, Ryan Woodard, Matthew Ogle and Brian Peters.
